

Julian Script Typeface

License

This free resource is provided by Pixelbuddha team. It is royalty free for use in personal and commercial projects with a couple of restrictions. This freebie is an intellectual property of the author.

Rights

You may modify the resource according to your requirements and implement in projects like websites, applications, templates or other materials in your personal, non-profitable or commercial projects that are not intended to be sold on markets, stocks, etc. If you are going to use our freebies in commercial projects that are for sale or multiple replications, you will need an extended license. The extended license is provided by the author of the particular freebie — either it is Pixelbuddha team or a guest author (in this case the credits are always included in the package). It is not necessary to link back to Pixelbuddha.net, but we would appreciate if you do credit our resources.

Publications

You are welcome to republish our freebies on condition that you link back to Pixelbuddha.net, and you should not provide the assets for direct download from your website.

Prohibitions

You do not have rights to redistribute, resell, lease, license, sub-license or offer this resource to any third party «as is». If you want to use this resource as a part of a product intended to be sold via any marketplace, please contact the author of the freebie to get an extended license.
